Current Student Re-enrollment and New Student Enrollment

All students must submit a completed application to be considered for re-enrollment each year. The application will not be considered for an admission decision until all registration items are received.

A completed application should include the following:

- As a covenant Christian school, families are required to complete a response to the Covenant commitment within the application.
- Official documentation of legal custody/guardianship is required to enroll a student.
- The application for admission, completed and signed by all parties, must be submitted.
- Family/student interviews and student assessments are part of the application process.
- The consent for medical treatment (via the Magnus platform) should be completed within the application.
- Acknowledgement of the Tuition Financial Terms of Agreement
- All students entering ninth grade must submit a copy of the Social Security Card to complete application.
- Current Georgia immunization form #3231
- Upon enrollment, all families/students must consent to the Code of Conduct within the online application.
- All students must present a certified birth certificate for a copy to be maintained on file.
- The non-refundable tuition deposit, as determined on the Financial Contract for the stated year (The tuition deposit will be applied to the final payment due for the school year.)
- All rising returning kindergarten students and all new kindergarten or new first grade students are required to submit a completed Hearing and Vision Screening Form.

Students entering PK3 - first grade must meet the September 1 birth date cut-off date for eligibility. Being toilet trained is necessary for admission. Students entering the PK three-year-old program must have the three-year-old birthday by September 1.

It is the responsibility of the applicant's parents (or guardians) to verify all materials are submitted. The submission of an application and tuition deposit does not guarantee a binding contractual agreement has been made, nor does the submission of an application guarantee acceptance or available space.

Students must continue to demonstrate success behaviorally and academically and financial obligations must be met to be considered for re-enrollment. Students may be denied re-enrollment or acceptance for any reason, including but not limited to academic performance, excessive tardiness or absences, behavioral/attitude, student or parental failure to abide by the covenant agreement or other policies, or failure to meet financial obligations. A student's acceptance of admission or re-enrollment may be rescinded after the notification is given if the student does not finish the current academic year successfully or does not meet the admission criteria.

Admission Decisions

- MPCS reserves the right to deny acceptance of students due to the conduct record, as well as other information presented in the student application.
- If additional information is needed, MPCS may require an educational evaluation to determine placement and/or admission.
- MPCS reserves the right to determine the placement of an applicant into a grade level and/or classes and subjects deemed most appropriate for his/her school experience.
- MPCS reserves the right to determine whether MPCS is an appropriate placement for the applicant and/or the family.
- Mount Paran Christian School believes that a positive and constructive working relationship between the school and a student's parents (or guardians) is essential to the fulfillment of the school's mission. Thus, the school reserves the right not to approve enrollment, continue enrollment, or not to re-enroll a student if the school reasonably concludes that the actions of a parent (or guardian) make such a positive and constructive relationship impossible or otherwise seriously interfere with the school's accomplishment of its educational purposes.
- MPCS reserves the right to deny enrollment with non-disclosure of reasons. There is no process for appeal.
