

Cookie/Tracking Technology

The MPCS website may use cookie and tracking technology depending on the features offered. Cookie and tracking technology is useful for gathering information, such as browser type and operating system, tracking the number of visitors to the site, and understanding how visitors use the site. Cookies can also help customize the site for visitors. Personal information cannot be collected via cookies and other tracking technology; however, if you previously provided personally identifiable information, cookies may be tied to such information. Aggregate cookie and tracking information may be shared with third parties as is necessary to provide information/services to the students.
