Athletics Dress Code

Mount Paran Christian School student-athletes accept a responsibility as school leaders to set high standards for decorum. Student-athletes represent Christ, their team, their school, and themselves within the community. Whether we are in our school uniform or an athletic uniform, standards of neatness always apply. The athletic department dress code will work in conjunction with the school’s uniform policy and the policies of GHSA. Additionally, athletes will adhere to the following:

- Game and practice uniforms must be worn complete with all components;
- Shirts/jerseys are to be tucked in;
- When traveling, athletes will wear school uniforms, athletic wear, or travel suits only;
- Shorts are worn at the waist; shoes are tied;
- Wristbands and headbands will be worn in moderation;
- Clean, consistent looks with all accessories will be worn at coaches’ discretion;
- Ribbons and barrettes must match the uniform colors.
