

GHSA Physical Form and Participation Consent Form

Student-athletes will not be permitted to participate in any phase of the MPC athletic program without a current physical on file in the athletic office. A physical is considered current when it is less than one (1) calendar year old or is dated after April 1 of the previous school year. MPCS requires the GHSA Physical Form be used by all middle school and high school student-athletes. A participation consent form is also required prior to participation. Both of these forms are available in the athletics section of the school website or in the athletics office.
