

No-Cut Sports

Coaches in no-cut sports should substitute an evaluation period for the tryout period, and all of the guidelines in sections 6.2 and 6.21 should still be followed. The cut-off date for joining any team in a no-cut sport will be 14 days after the first practice. Exceptions may be made by the athletic director(s). Fifth-grade students are eligible to participate on no-cut sports teams.
